#### MMICRATION MATTERS.

RECEIVE ATTENTION PROM THE PRESENT CONGRESS.

Liable to be Placed in the ame Category With Chinese ... Views of Senators.

The subject of immigration will receive very serious and instant attention from this Congress. Many members have prepared bills to further restrict immigra-Senator Chandler, who will be chairman of the Immigration Committee of the Senate, will make this one of his efforts. He said to a CALL correspondent on December 6th:

"It is time we were closing our gates to the horde of European and Asiatic paupers and criminals. Our present immigration laws are well enough, if properly enforced, but do not go far enough. The matter of Japanese labor immigration will receive attention from our committee, but I cannot say what is likely to be done as to the Japanese."

Representative Benton McMilin of Tennessee, one of the leaders of the House of Reprecentatives on the Democratic side. mid:

"Our load must be lightened. Too many beggars and criminals see landed in spite of our immigra-tion laws. I have not given the matter very careful consideration of late, but I intend to do so, and you will find that very many men an Congress will do the same. My amendment secured to the present immigration law, requiring ships to carry indigent immigrants back free of cost or else forfeit the right to enter or clear our ports, was a good thing, and I am going to try and further improve

Senator Mitchell said: "I want breigners to live here as long as I do before they vote -namely, menty-one years. There should also be further restriction of immigrat on, though I am not pre-pared to say just what should be done, except the Japanese should be placed in the same category as the Chinese."

Senator Shoup said: "I agree with Senator Mitchell. There There should be further restrictions. The Japanese are getting as moublesome as Chinese. The Mawaiian Islands are full of them and this will militate greatly against Hawaii with annexation. have their eyes on Hawaii and want to buy up that little repubbe. I know what I am talking

Senator Perkins said: "Someing will have to be done, and in me thing I agree with Senator Mitchell: the Chinese exclusion aw should be applied to the Jap-

Representative Grove Johnson's news were well known, as in the campaign he devoted considerable attention to immigration, and re-sently introduced a bill in the Mouse for the total prohibition of both skilled and unskilled foreign borers' entrance to our country.

Representative Barham of Calibrnia also introduced a bill today for the total prohibition of the mmigration of all skilled and anskilled laborers.

"There can be no evasion," said se to The Call correspondent bonight. "It is an absolute prothat any foreigner now in this sountry who shall be convicted of blony shall be deported. This may rid us of some anarchists "
